In a wide ranging interview with SPC's Director-General, Dr. Jimmie Rodgers, and SOPAC's Director, Dr. Russell Howorth, the two leaders explain the way forward in the latest issue of **Island Business** (October, 2010)

Three years ago, the Pacific Islands Forum members decided to rationalize the operation of SOPAC (Pacific Islands Applied Geoscience Commission) into SPC (Secretariat of the Pacific Community) and SPREP (Pacific Regional Environment Programme). While the decision of rationalisation was made, how the organisational restructure would work was not.
